

Investing for Success

Under this agreement for 2021 Currumbin State School will receive

\$387 465.00

This funding will be used to

- Deepen teacher knowledge and expertise in the systematic and rigorous delivery of the Australian English and mathematics Curricula;
- Ensure that all staff have the resources required to enact the whole-school improvement agenda.
- Ensure continued improvement in English and mathematics A-E student achievement.

Our initiatives include

- A focus on the systematic and rigorous delivery of the Australian English and mathematics Curricula through:
 - Planning days;
 - Formative assessment check-ins;
 - Targeted professional development.
- The collection, collation and analysis of formative assessment data to improve student learning;
- The employment of support staff to support the delivery of the English and mathematics program;
- The provision of additional Speech Language support.
- The provision of resources to support curriculum delivery.

Our school will improve student outcomes by

- Teacher planning days – \$50,000
- Teacher formative moderation check-ins – \$100,000
- Speech language provision - \$18,000
- Additional teacher resourcing - \$100,000
- Resourcing additional support for priority areas - \$119,465
